

Technical drawing of a mechanical part (Fig. 18) showing a cross-section with dimensions $6,22 \pm 0,05$ and $1,53 \pm 0,05$. The part has a central rectangular hole and rounded ends. A blue box with the word "Copia" is overlaid on the bottom right.

Technical drawing of a U-shaped part. The drawing shows a cross-section of the part, which is shaded with diagonal lines. The part has a U-shaped profile. The dimensions and tolerances are as follows:

- Top width: $3,5 \pm 0,3$ (Dimension 23)
- Right height: $3,4 \pm 0,2$ (Dimension 28)
- Left height: a (Dimension 24)

Technical drawing of a mechanical part. The drawing shows a long, thin rectangular base with a complex profile on the right side. The profile includes a rounded top and a vertical section. Dimensions are indicated: a horizontal dimension of 3.5 and a vertical dimension of 3.25 are shown near the top right. A circular feature with the number 11 is located near the top right. A vertical dimension of 0.5 ± 0.02 is shown on the right side. Section lines A-A and B-B are indicated with arrows pointing to the respective sections.

Technical drawing of a shaft with the following dimensions:

- Total length: $30,3 \pm 0,2$
- Inner diameter: $3,3^{+0,3}_{-0,0}$
- Outer diameter: $6,2 \pm 0,05$
- Feature 16: A circular feature with the number 16 inside a circle.
